

19695

Universal Joint

More room for manoeuvre! The flexible universal joint can be used on practically any microphone stand and gives you more freedom than ever by providing maximum flexibility for positioning a range of equipment such as microphones, hand-held recorders, etc. Included are a 3/8" female thread and 1/4" or 3/8" male thread. The integrated thread adapter allows for even more combinations.

Product variant

19695-100-55 - black 1/4" male thread
